

Remarks

Favorable consideration of this application, in view of the above amendments and in light of the following remarks and discussion, is respectfully requested. Applicants respectfully request entry of this Supplemental Preliminary Amendment prior to an action on the merits.

By this amendment, Claims 3-25 are pending; Claims 1 and 2 having been canceled without prejudice or disclaimer, and new Claims 3-25 having been added. Applicants respectfully assert that support for the changes to the claims is self-evident from the originally filed disclosure, including the original claims, and that therefore no new matter has been added.

In view of the above amendments, Applicants respectfully solicit an early and favorable action on the merits.
